Dear Sir:

Your letter just received, asking The Eagles to play in Atlanta April 23rd.

I would prefer playing in Atlanta on the 16th if possible. If you have other plans for the 16th I may be able to play you on the 23rd but cannot let you know until I hear from a party to whom I wrote a few days ago. I should hear from them in the next day or two.

In the mean time write me and let me know if the 16th would be OK as that is the date I would prefer.

I would also like to arrange some games with your club in that vicinity just before or after playing in Atlanta. Do you think you could arrange something?

When you write let me know what terms we would be offered.

Please answer right away, as I want to write some other places about games.

Very Truly Yours
